Bakers, be sure to enter our baking contest. Event date is June 8 from 11 am - 2 pm. * Free for the first 150 members! [Read more](#)

Home Prices Maintain Strong Growth

Tight inventories of homes for sale helped push home prices higher in the first quarter. The median price of existing single-family homes rose in 87 percent or 154 of 178 of the major metro areas across the U.S. in the first quarter, according to the latest quarterly report by the National Association of REALTORS®.

Learn About Local Water Resources

The fifth in our SCCP series will cover long range water availability issues; minimum requirements for water availability; requirements and options for well; leach fields; septic options; sewage disposal/treatment issues that we will be facing in the future; current setbacks for septic or building from waterways and desalination plant update. This course can be taken outside of the series for \$20. [Read more](#)
