Top 10 Tips for Identity Theft Prevention

Identity theft is a serious and costly crime. People whose identities have been stolen can spend months or years cleaning up the mess thieves have made of their good name and credit record. In the meantime, victims may lose job opportunities, be refused loans, housing or cars, or even get arrested for crimes they didn't commit. The following tips can help you lower your risk of becoming a victim. Click [here](#) to read tips.
