Last Chance to Use your CE Member Benefit this Year

Have you claimed your 45-hour online CE course package in 2017? If not, there's still time. Even if you did not need to renew your license this year, you can still select courses and take up to one year to complete them. Visit 45Free.car.org for more information.

Big Shifts in the Housing Market Expected for 2018

Inventory constraints that have fueled a sharp rise in home prices and made it difficult for buyers to gain a foothold in the market will begin to ease next year as part of broad and continued market improvements, according to the realtor.com® 2018 National Housing Forecast released December 2017. [Read the full article](#)

December Forms Release

It's the time of year where we all celebrate the new forms that are being released! Which forms? You can find out which forms and the changes to others on the Standard Forms page on car.org.
