C.A.R. Licenses Forms to Glide

C.A.R. will no longer offer Glide software as a benefit of membership. Starting Monday, May 17, C.A.R. members can no longer access Glide through the car.org website and will need to access Glide via Glide.com. In an effort to minimize disruption for those members who still wish to use the product, C.A.R. has reached a license agreement with Glide to allow use of C.A.R. standard forms within the Glide platform. It is important to understand that C.A.R. members need to determine for themselves whether Glide is the best transaction management platform for them. For more information, please [see the FAQs here](#).

Fair Housing: Brokerage Essentials

Real estate brokers are subject to a web of federal, state and local fair housing laws that are intended to eradicate discriminatory conduct in the sale or rental of dwellings and promote residential integration. To reduce risk, real estate brokers should consider offering comprehensive education and training of all sales associates and staff to ensure a thorough understanding of the obligations and prohibitions outlined in fair housing laws. This chapter of Real Estate Brokerage Essentials from NAR will re-energize your fair housing compliance program. [Download the chapter for free.](#)

Riptide and Beach Safety Tips

A trip to the beach should be fun and can be for everyone if they know Beach Safety. The National Weather Service can help ensure you leave the beach with good memories. NWS and their sister agency, the National Ocean Service, provides you with information you need to stay safe on beaches and in coastal areas and surf zones. View their [Beach Safety Tips](#).
